Audio Visual Equipment & Services

EVENT PLANNING & EQUIPMENT SELECTION

From the simplest slide projector to complex video projection, to rock star concert sound and stage lighting, Swank Audio Visuals offers you the finest professional meeting, convention and trade show services available anywhere. As an audio visual rental company whose experience pre-dates color motion pictures, television and both audio and video tapes, we have been part of the most profound changes in the way people communicate.

We keep in tune with the latest hardware, and making it available to our customers, has been our full time job for over half a century.

We will support you in equipment selection, choosing exactly the right systems for your event. As members of your Hard Rock team, we will conserve your valuable time and because we routinely double-check both our planning and our equipment.

Swank's Audio Visuals professionals are dedicated to making your meeting successful and fun.

PROFESSIONAL TECHNICAL ASSISTANCE

We employ an experienced staff of professional technicians trained in all aspects of projection, video, audio and lighting available for your meeting.

EQUIPMENT INSTALLATION & RESERVATIONS

An additional charge will be applied for the set-up, breakdown and servicing of equipment for your event. Some equipment requires a minimum charge for a technician at the prevailing hourly rate for installation and removal.
